

The **JuCad remote control** avoids unnecessary walking and gives you even more driving pleasure on the fairway. It is an optional extra for all JuCad electric trolleys.

JuCad scorecard holder with golf ball and tee support, a rainproof cover as well as a glove holder, available in various colours, in metal and GRP.

JuCad Tablet, practical holder for various golf accessories such as balls, tees, smartphone, towel etc.

JuCad golf umbrella, specially large yet lightweight with pin to fit the umbrella holder for the JuCad trolleys. Also available as windproof umbrella, automatic opening and/or with a telescopic pin, which allows an up to 15 cm stepless enlargement of the shaft. Vast choice of colours.
